1. WELCOME MESSAGE

1.1 Greeting from the Head of the host NF

It is a pleasure for me and for the Italian Karate Federation to greet all the athletes of the “Karate 1 Youth League”, which will live up at Jesolo from 4th to 8th of December 2024.

Veneto region, with its enchanting Venice and particularly with the city of Jesolo, has always been a land of sports and hospitality, as the great number of previous events, within the famous Venice Cup, can demonstrate. The “Karate 1 Youth League” has grown and has been transformed from a promising novelty to an important competition on the international scene. The aim of involving young athletes in the scenario of high-level international competitions has been achieved and now the “Karate 1 Youth League” is a sure bridge for the many young talents who train and compete with passion towards their Olympic dream. Thanks to this event, our young karate athletes begin their journey towards the highest technical level today, and their Olympic dream begins today to be realized tomorrow.

The Tokyo Olympic adventure has ended with great joy and satisfaction for the World Karate family. The successes of Karate have filled the hearts of each of us and strengthened the conviction of the merits of this discipline which deserves to be included in the Olympic program as a permanent sport.

Together with the head of the international governing body of Karate, the President of the WKF, Mr Antonio Espinós, we express our satisfaction with the outcome of the event and we sincerely hope that the International Olympic Committee will reconsider the continuity of Karate in the Olympic program. The time for Karate to be a permanent Olympic sport is now.

For the particularity of the period we are experiencing, I want to thank even more warmly all the people who worked hard for making alive this prestigious sport event: in particular the athletes, the instructors, the various associations and the families.

We must not forget to acknowledge who works behind the scenes, the Organizing Committee, the President Vladi Vardiero, the Multisport Veneto Association, who worked with passion and dedication in order to organize this project.

I also thank the city Council of Jesolo, special guest of these Karate events since ever, for its kindness and collaboration.

I wish you all to enjoy this prestigious sport event, the “Karate 1 Youth League Jesolo-Venice” will surely be a special occasion to honour and strengthen this beautiful sport in Italy and throughout the world.

Domenico Falcone

1.2 Greetings from the Italian Karate Federation Vice President and member WKF - EKF Executive Committee

Dear Karate friends

As a Member of the WKF Executive Committee and Head of the FIJLKAM Karate Sector I welcome EVERYONE and thank you for your presence and your fighting and collaborative spirit that will lead to the success of the WKF YL Jesolo 2024 event.

I wish you to live an experience that will give you the necessary energy for the continuation of the 2024 competitive season.

With the inclusion of the U 21s, the WKF Youth League becomes even more exciting, bringing athletes with great technical and competition experience to Jesolo Tatami.

The Italian Federation and the MultiSportVeneto organizing committee are ready to offer you an even more satisfying experience to ensure that this Youth League will also remain an indelible memory for all of you.

FIJLKAM Vice President

1.3 Greetings from the Italian Karate Federation Vice President Veneto Region and President Multisport Veneto

As President of the Organizing Committee, I will strive to do my best at taking on this 6th edition of the Youth League in Italy!

The previous edition in 2023, which took place in Jesolo (Venice), was one of the tournaments of the Youth League WKF competition, it focused on youth categories whose athletes will be the future Youth Olympic competitors.

4,200 athletes from all over the world gave us their trust and participated in our competitions!

The continuous growth in participants in events organized by the Organizing Committee, which I'm honoured to be in charge, confirms that working with professionalism and accuracy is always rewarded. Also, thanks to these achievements, our trust is retained by the Fijlkam (our national federation) and the WKF.

It is for this reason that we will keep working harder in order to improve our services.

The Karate1 WKF Youth League will be hosted in Jesolo (Venice) at the new big and modern sport hall, which is a welcoming and spacious indoor sports arena. A great deal of important international sport events is taking place here every year.

I dutifully have to thank the WKF President, Antonio Espinos, who gave us the opportunity to show to the world our abilities in organizing such important events.

Furthermore, a special thanks goes to the Italian Karate Federation and its members, the Fijlkam President, Domenico Falcone and the WKF/EKF Executive Member and Fijlkam Vice President Davide Benetello whose contributions made possible to present this project to the World Federation.

In conclusion, I would love to wish you a wonderful experience in Jesolo!

I am sure this event will be great, full of sport whose fundamental principles and values, such as Respect and Tradition, will be standing.

This is the Karate Sport and Karate Do we want!

Vladi VARDIERO

President of the FIJLKAM Karate Veneto

President of the LOC

19. CITY / COUNTRY INFORMATION

19.1 About VENICE

Considered the most beautiful city in the world

It is an incredible city that you can explore either on foot or by boat and that's made up of 118 islands joined by more than 400 bridges and separated by canals which act as streets.

It is also fascinating for the many art treasures that it holds: churches, palaces, museums, bridges:

we can almost say that the entire city is a unique work of art built throughout centuries that continually faces the difficulties spurred by the lagoon's unstable nature.

The monuments

Venice is in itself a work of art, an authentic box of art treasures coming from all around the world. Travelling along the Canal Grande on a boat will be an unforgettable experience that will allow you to admire the refined palaces and the wonderful churches. Then there's the heart of Venice, St. Mark's square, one of the most beautiful places in the world with the marvelous Basilica, the Campanile and the Ducal Palace...

The works of art that are kept in the churches and museums, but also the less well known places that you may come across as you walk between bridges and squares, are incredibly fascinating and full of charm.

The history

When in the fifth century a.C. the barbarians invaded the Po Valley, the people took refuge on the islands of the lagoon. After this episode, about 421 a.C., Venice was founded. The city developed around one of the oldest centres, Rialto, and quickly became a rich merchant harbour, an important link between the west and east markets. At the end of the thirteenth century Marco Polo started to trade with China, though the Serenissima Republic with its institutional system based on the "dogato" was already spreading towards the mainland thus starting centuries of prosperity and of shrewd government. The decline arrived in the sixteenth century when the trade routes to America were moved and begun to favour the Atlantic harbours. In 1797 Napoleon conquered the city and gave it over to Austria; Venice stayed under the Hapsburg rule up to 1866 when it became part of the Italian kingdom.

The Lagoon and its islands

The Venetian lagoon has its own very special environment in which the people and their jobs are in direct contact with the laws of nature; a landscape that in a few hours as the tide turns completely changes its appearance, an environment where the flora and fauna are extremely fascinating. And from the quiet water of the lagoon rise the fascinating islands of Murano, Burano, Torcello, St. Francesco del Deserto, St. Lazzaro degli Armeni, Pellestrina, Chioggia
