WELCOME MESSAGE

Antonio Espinós,
president of the WKF

The WKF Youth Training Camp stands as a beacon of inspiration and growth in the world of karate. As we gather once again in the city of Porec (Croatia) for its 16th edition, we are reminded of the remarkable journey this camp has undertaken since its inception.

As the most popular Karate event for youngsters, the WKF Youth Training Camp serves as a platform where young talents converge, eager to refine their skills and deepen their understanding of Karate, while forging invaluable friendships with fellow karatekas from all over the world.

More than just a gathering, this event embodies the spirit of values and dedication that karate instils in its practitioners. Over the years, we have witnessed a remarkable surge in participation, a testament to the growing popularity and relevance of karate among today's youth. The WKF Youth Camp has evolved into a true celebration of youth karate, attracting thousands of passionate young karatekas, who showcase the many values of our sport as they improve their expertise in our sport with first-class instructors.

I would like to extend my heartfelt gratitude to the Croatian Karate Union and its President, Davor Cipek, for hosting the event. Their tireless efforts and unwavering support have been instrumental in ensuring the success of the WKF Youth Training Camp.

As we embark on this journey together, let us remember the true essence of karate – not merely as a sport, but as a way of life. Let us embrace the challenges ahead with courage and determination, knowing that through our collective efforts, we can shape a brighter future for karate and the generations to come.

Best of luck to all the participants and organisers and a big “Oss” to all of you Karate fans.

Davor Cipek, *president of the CKU*

Dear Friends,

I'm thrilled to welcome you on behalf of the Croatian Karate Union and the Organizing Committee of the 16th WKF Youth Training Camp and Youth and Para-Karate Cup. This event, which includes the Camp, Cup, and WKF Youth League, is a result of our teamwork with the World Karate Federation. We're grateful to them for choosing us to host this special occasion.

As the event has grown, so has our commitment to meeting the needs of all the karate enthusiasts while keeping things organized and top-notch. That's why we've decided to move our Camp from Umag to the lively City of Poreč. Poreč has proven itself as a fantastic location for such gatherings, and we believe this change will make the experience even better for everyone.

I hope you have a fantastic time here, enjoy your achievements, and make lasting connections. Let's work together to show why Poreč is the perfect spot for WKF events.

INTRODUCTION

Croatian Karate Union once again has the pleasure of organizing the WKF Youth Training Camp, followed by the Youth and Para-Karate Cup. The two mentioned events will occur before the WKF Karate 1-Youth League Poreč 2024.

The City of Poreč

The City of Poreč, located on the western coast of the Istrian peninsula, in Istria County, Croatia, is also known as a city with a thousand-year history. Its major landmark is the 6th-century Euphrasian Basilica, which is today considered a true architectural treasure and has been a UNESCO protected site since 1998.
